MPF CLASSIC : Brushes & Brush Kit

The MPF Classic Brush series one of the companies strongest selling products to date.

An extremely light weight handle made from ABS plastic with its ergonomic design and shape.

Boasting a soft touch mat finish to the handle which also has internal metallic balls within the ferrule that holds the hair and helps condense the water as the brush is tapped or flicked within the ceramists. fingers.

Above all Premium quality Kolinsky hair that we are known for globally.
